

# QUALITY POLICY

Elite Aerospace Group is committed to delivering high-quality products to our customers on time, and at a competitive cost.

Our dedicated team of professionals is focused on continual improvement and effectiveness of our quality management system to achieve and exceed all our quality objectives as well as customer satisfaction.

The Quality Policy is readily available to the public. It is displayed in the main lobby and is posted on our website. Any requests for the Quality Policy are responded to by directing requestors to the website.
